

Planning for Education Questionnaire

For those friends who have visited Shepreth Wildlife Park before

When was your visit made?

What age group were the children you brought to the Park?

Was your visit for any educational purpose or purely for pleasure?

Were there any facilities at the Park that you feel could be improved?

For any new friends who might consider visiting in future

Are you likely to consider visiting a Wildlife Park with school groups?

If the answer to the above is 'no' may we ask you to give a reason?

For old and new friends

If a specific range of educational courses were available, would you more likely consider bringing children here?

Are there any particular areas of the curriculum that you feel we could offer that would enhance certain areas of your curriculum?

**With many thanks for taking
the trouble to complete this questionnaire.**

Please return to: Shepreth Wildlife Park, Station Rd, Shepreth, nr Royston, Herts, SG8 6PZ
or fax to: 01763 260582 **Including your schools letterhead.**
